Co-ordinators

Mr.D.James Deepak, AP/Mech

Mr.Ezhil Ruban, AP/Mech

Organized by
DEPARTMENT OF MECHANICAL ENGINEERING
in association with
ISHRAE CHENNAI CHAPTER

ISHRAE JOB JUNCTION
January 17th & 18th 2019

Objective:

To provide a platform to interact with people of Refrigeration and Air Conditioning industries and thereby providing opportunities of recruitment to interested and deserving students to have a career in the field.

Online Screening:

A preliminary screening test was conducted by ISHRAE, Chennai chapter for all the final year student members on October 22nd 2018. A total of 31 student members appeared for the screening test held at LICET. The test was online on CoCubes platform. Out of 31, 30 were shortlisted for the direct interview.

Consolidated summary on Job Junction:

The job junction is an annual event conducted across India for the benefit of students who are interested to work in the field of refrigeration and air conditioning. LICET was selected to host the job junction this year. ISHRAE Chennai chapter and LICET ISHRAE student chapter jointly conducted the job junction on January 17th and 18th 2019 after a series of meetings, prior to the event. A total of 513 students from 5 states were called to attend the job junction.

The job junction was inaugurated on the 17th of January by Mr. Ajit Pandalai, President, ISHARE Chennai chapter in the presence of Dr. Alphonse Manickam, Director of LICET and Dr. Antony Michael Raj, Principal of LICET. Mr. Balamurugan, Asst. Manager, Honeywell India welcomed the industry representatives, ISHRAE representatives and the LICET officials. The Director and the Principal in their address to the students emphasized the importance of the refrigeration industry and the enormous scope in this field.

This was followed by presentations of the company by the representatives. A total of 354 students registered and were present for the two day job junction. After the presentations the students attended the interview conducted by the industry personnel. The entire event was jointly coordinated by ISHRAE volunteers under the guidance of Mr. Ali Sodai, ISHRAE Secretary and Chief Consultant of VAHYU Consulting engineers, LICET ISHRAE student members under the guidance of Mr. James Deepak D, AP/LICET and LICET Placecom students under the guidance of Mr. Prabhu Shankar, AP/LICET and Mr. Ezhil Ruban, AP/LICET.

The companies that attended the job junction were:

Day 1 - 17/1/2019
