By Rev Dr Justine SJ

- Learnt many new things about human brain and its functions
- The workshop was very informative and learnt many new easy methods to remember
- The session was very good more interactive, interesting and useful
- The memory retention graph was the most informative to remember for a long time
- The videos shown on mind related and mind power was good and motivating
- Memory methods were very useful
- The concepts were explained in precise manner and easy to understand and it was a great benefit for us
- Overall the session was very interesting and useful it was an eye opener for us
- We want more sessions like this and this will be very useful for all students.
