

**LOYOLA – ICAM**  
**COLLEGE OF ENGINEERING AND TECHNOLOGY (LICET)**  
Loyola Campus, Nungambakkam, Chennai – 34  
**Department of Mechanical Engineering**

We would be happy to announce that, **CREO** to be conducted in the Department of Mechanical Engineering.

Every Mechanical Engineer is expected to have a good grip on designing. They use it heavily in most of the fields like Automobile Engineering, Aerospace Engineering, Tool Design, etc. Also with the advancement of Rapid Prototyping and 3-d Printing, they are becoming more visible to the outer world as one can see how exactly your product looks like in just a few hours.

In order to meet industry expectations the Department of Mechanical Engineering has started industry level training in association with KKM Soft, Chennai for CREO 2.0. The students will be globally certified by PTC Corporation. The course is conducted for about 60 hours. The first batch will be for 38 students from the III year Mechanical Department.
