

**Anna University Sponsored Six-Day
Faculty Development Training Programme (FDTP) on “EE8251- Circuit Theory”**

The Department of Electrical and Electronics Engineering has organized the Six-Day Faculty Development Training Programme (FDTP) on “EE8251- Circuit Theory” Jointly sponsored by the Centre for Faculty Development (CFD), Anna University during 9th to 14th December 2019 at LICET, co-ordinated by Dr.I.William Christopher, Associate Professor/EEE and Ms.J.S.Nancy Mary, Assistant Professor/EEE. The aim of the FDTP is to essential bring together the faculty members of various Engineering Colleges of this region to discuss the evolving strategies in Electric Circuit Analysis, and to implement them in teaching so as to efficiently deliver the concepts of the subject.

The Inaugural Function was held on 9th December 2019, Monday, 9.30am at Smart Room (F11), LICET. The function started by invoking God’s blessings through prayer song and the occasion was graced by our respected Principal, Dr.L.Antony Michael Raj, Vice-Principal Dr.A.Inba Remy, Dr.S.Prathiba, Professor & Head/EEE and Dr.Selvanayagam, Dean/Research. The Inaugural address was given by the Chief Guest Dr.Hosimin Thilagar, Professor/EEE, CEG, Anna University, Chennai. He addressed the participants about the importance of the FDTP which will be extremely informative and highly useful for the participants. All the sessions were conducted by the eminent personalities from IIITDM Kancheepuram, College of Engineering, Guindy, Anna University, TANGEDCO, ABB Global Industrial Automation & Service (P) Limited, Bangalore, Power Research & Development Consultants (PRDC) Pvt. Ltd, Bangalore, Power Projects, Chennai and Anna University Affiliated Colleges. Totally 25 faculty members participated out of which 20 were from various Engineering Colleges.
