Report on Motivational Talk

Date: 10th February 2020

Time: 08:00 am to 10:00 pm

Venue: Smart Room

Resource Person: Prof Murugesan, LIBA

Audience: II Year & III Year of CSE

On the 10th of February, 2020, the department of Computer Science and Engineering organized a motivational session for the second and third year students. Professor Murugesan from LIBA facilitated the guest lecture.

The session was held on motivational practices and positive thinking strategies. The speaker also gave awareness to students about how to handle stressful situations in life. He conducted a debate on the impact of the Indian education system on college students. The debate conducted by the speaker was lively and helped students voice their ideas.

Students felt that the session was highly motivating, informative, useful and interactive. They felt that the real time examples given by the speaker was very useful. The feedback given to the faculty for this session was extremely positive.
